This Sunday's Liturgy:

The Eternal Perfection Of All Whom Christ Is Sanctifying

We celebrate today the final
consummation at the end of time.

Each Mass continues Christ's
redemptive work in the world and
brings us nearer to the final Mass
when that work of sanctification
will be complete.

My Dear Friends,

On Wednesday and Thursday of
this coming week there will be
workmen in church doing some
repairs to the concrete supports
of the pews. This work must be
done, but it will, inevitably result
in some disruption and mess.

The work will begin after Mass
on Wednesday morning. If you
are able to 'lend a hand' with
the extra cleaning that will
result please come along on
Saturday at 8.30 am to help our
regular and wonderful team of

church cleaners - they are
always glad of extra help.

Please note the extra Mass of
Remembrance that is being
offered on Tuesday evening of
this week. Full details may be
found below?

Gillian will be selling Christmas
Cards, with a religious theme,
after Mass to help raise funds
for our church and parish. I do
hope that you will feel able to
give her your full support.

Finally it has become necessary
to lock the church after Mass
each morning as the candle
boxes are being emptied when
no-one is around!

This is a sad situation, which
cannot be allowed to continue. I
am trying to sort out a more
secure wall safe at Our Lady's
statue but until such time the
inner door of the church will be
locked after the recitation of
the Rosary.

God bless,

Mass of Remembrance

At 7.30 pm on Tuesday 17th we
shall be having a special
Mass of Remembrance.

This special Mass, dedicated to
the Holy Souls, gives us the
opportunity of remembering those
we have loved and lost. There
will be an opportunity during
Mass to come forward
and light a candle for them
before the altar of God.
